Product	LED Desk Lamp / Y
Model No.	DL 201
Technology	Conventional DC LED
Dimension	H 35cm
Net Weight	1.0kg
LED Light Source	LED 5050*6pcs
Power Consumption	8W
Color Temperature	3,000K / 5,650K
Luminous Flux	390lm (3,000K) / 480lm (5,650K)
Input Voltage	100-240V AC, 50-60Hz / 24V DC
Input Current	0.27A
Average Illumination	700 Lux (3,000K) / 840 Lux (5,650K) at 35cm Height
View Angle	120°
Work Temp.	-20°C ~ 40°C
CRI	80 (3,000K) / 70 (5,650K)
Energy Saving	70% than CFL 55% than Fluorescent Tube 85% than Incandescent Bulb 80% than Halogen Lamp
Life Time	20,000 Hours
Patents Pending	ID Design / One-piece Heat Dissipating Design
Colors Available	Silence Black / Pure White / Silver
Warranty	2 years from purchase with proper use
